THE NEW ECONOMY

Possibilities for a Sustainable, Democratic, & Socially Just Economy

Presented By:
Emeritus Professor **JOSE CALDERON**
& Community-Based Attorney **JOHN NOLTE**

This Forum will be the first in a series on this topic. It will start a **DIALOGUE ON NEW TYPES OF ECONOMIC POLICIES AND MODELS** that are emerging at local and regional levels to move toward a healthier, more egalitarian society—and how they might be applied in Pomona and its environs.

Build community wealth and stability ♦ Put control over economic decisions in the hands of those most affected by them ♦ Worker ownership of business ♦ Municipal enterprise ♦ Anchor institutions ♦ Cooperation instead of competition ♦ Horizontal instead of hierarchical ♦ People over profit
